Ross' Holiday

Ross enjoyed a five day break away while his home was being redecorated earlier this year. Ross spent his holiday relaxing, having BBQ lunches and meals out, taking long woodland walks, and enjoying his favourite pastime of shopping for DVD and video bargains in charity shops. There was also a hot tub at the lodge which Ross liked spending time in with his support staff. This was only Ross' second holiday away but plans are already underway for a return in October as he had such a great time.

New Swing at Wallsgreen

We recently had a new swing installed in our garden at Wallsgreen Resource Base. All the individuals we support have enjoyed trying out the new equipment.

500 Hours Award

Billy Scobie, who we support in our outreach service, has been accessing a local resource in Fife – the Kinghorn Ecology Centre – for several years, where he carries out gardening tasks ranging from planting seeds and flowers, weeding, cleaning out the pond, and tidying up. Billy was recently awarded with a 500 hours voluntary certificate for all his hard work at the Ecology Centre.

Well done Billy!

Night out in Dunfermline

The Fife Service User Forum recently arranged a night out at a local pub in Dunfermline for its members. There was a lot of good food and chat, so much so that we ran out of time to go on our planned pub crawl! The evening was fantastic and everyone who came along are keen to make it a regular occurrence.

Outreach Art Group

Our outreach art group has been making some lovely themed pieces recently. For St Patricks Day they made salt dough shamrocks and for Easter they created decoupage bunnies.
