

Christmas Fayre Fun

We had a very busy and successful end to our school year with us hosting our wonderful annual Christmas Fayre. We were fortunate to have many stalls selling a range of items including personalised cards from Holly Class, crafts made by Ash Class and beautiful Christmas tree decorations made by Willow Class. One of our pupils, Jason also had his own stall where he sold his book, 'Torrential: Among Us.'

Gartnin Nurseries were also in attendance, selling their festive wreaths and plants, along with Chrysalis, who had set up a stall selling baked goods.

It was particularly wonderful to have the Focus School Choir come along and sing some festive songs for us and by the last song, everyone had joined in. We are looking forward to extending our school partnership work with them throughout 2018.

Hello to Danny!

We are pleased to welcome our newest pupil, Danny, to New Struan School. Danny has joined Holly Class and our residential accommodation. We have been enjoying getting to know Danny over the last few weeks.

Danny has settled in well to the school, and has already won his first award for his progress in cutlery grip.

Greenhouse Progress

As the weather improves over February, we will be installing our Greenhouse into the school garden. We would like to thank our fantastic Parent Council for fundraising for this resource. We are very much looking forward to growing some of our own food at New Struan School!

Forthcoming Macbeth Performance

All efforts within our drama curriculum are currently focused on the build up to our whole school performance of Macbeth. The performance will be a multi-sensory tale, interwoven by scenes of improvisation and a peppering of quotes from the Bard himself. We do hope you will be able to join us on the afternoon of the 30th March. Please RSVP to newstruan@scottishautism.org.

Training Staff at Lendrick Muir

During January, we ran an autism training session for the staff at Lendrick Muir ahead of our residential trip in June. Building on the successes of last year, the staff at Lendrick Muir are keen to learn and reflect on how to maximise all the opportunities they have for our young people.

Our pupils thoroughly enjoyed the trip last year, and are looking forward to spending some more time there this summer.
