

Lego®-based Therapy Summer Camp Booking Form  
Monday 11th to Friday 15th July, 2022

Parent's Name .....

Address .....

..... Postcode .....

Phone Number .....

Email .....

Child's Name .....

Child's Age .....

Please could you give an idea of how well your child copes when working as part of a group e.g. can s/he focus on the same task as others, can s/he be understood, can s/he understand others, does s/he get upset easily?

.....  
.....  
.....  
.....  
.....  
.....  
.....  
.....  
.....

I am happy for photos/videos to be taken of my family. Yes/No\*

\*Delete as appropriate.

# Lego®-based Therapy Summer Camp

For children on the autistic spectrum  
Monday 11th to Friday 15th July, 2022

## Our Program

Creatovators are running a Summer Camp for children aged 5 to 10 yrs.

LEGO®-based Therapy is a fun way of helping children on the autistic spectrum learn social skills. By working in small teams with support, the children learn to take on roles, take turns, listen, talk, problem solve and cooperate better.

Using LEGO®, participants are encouraged and supported to work in teams of 2 or 3 to build kits, then models of their own design, together.

Please note these are structured sessions which help promote the children's social skills, not just a club.

## Days and Dates

Days: Monday to Friday, 11th to 15th July 2022

Times: 10am to 11.30am

Venue: Bearsden Baptist Church, 14 Roman Road, Bearsden, G61 2SL

**Cost: £130.00 per child**

## How to book

To secure a place please pay a non-returnable deposit of £50 by cheque, cash or BACs (For bank details email [info@creatovators.com](mailto:info@creatovators.com)). Places are subject to our Terms and Conditions which can be found at [www.creatovators.com](http://www.creatovators.com) where you can also find our privacy policy.

Please note, we will be working to improve the social skills of participants and recommend that all sessions are attended. However, we recognise this may not be possible.

## Enroll today

Use the Booking Form or for further details please contact Jacqueline Patrick.
