

Groups and Activities Outside of the Home

Sometimes, I go to groups and activities outside of home.

Usually, people enjoy going to groups and activities outside of home.

Because of Coronavirus I might not be able to go to groups and activities outside of home.

This is due to social distancing.

Some people are not going to groups and activities outside of home to stay healthy.

I will try to not go to groups and activates outside of home to stay healthy.

I can do activities inside my home instead.
