Key Responsibilities

Strategic Input

- Work with the Operations Director and other RLT members to implement the short, medium and long-term strategies for Autism Services for your Regions.
- Provide strategic advice, information and expertise to colleagues and the Regional Leadership Team, in respect of Autism Services.

Leadership

- To build, maintain and manage a high performing team by providing leadership, role clarity, building autonomy and career development in a coaching and developmental style.
- To build and promote effective cross functional working as a cultural norm.

Delivery and Impact

- To performance manage the Regions suite of service contracts in a way that meets quality, financial and compliance requirements.
- To determine which business development opportunities will be pursued and the tactical approach to be deployed for each opportunity.
- To show visible leadership across the Regions geographical operations, to ensure a well understood vision and a one team culture is achieved.
- To support, develop and performance manage the direct reports in your area.
- To proactively manage the controls and instigate actions required to achieve safe.

Compliance and Control

- Provide appropriate and timely information and metrics, supporting an open and transparent dialogue across Senior Leaders and non-executives, setting high standards of probity.
- Ensure the risks within the Directorate's activities are identified and mitigated effectively and that decisions are made within a robust risk assessment framework.
- Ensure compliance with key policy and procedure in areas such as health and safety; equalities and diversity; data protection; codes of practice and all other statutory requirements, which are routinely checked for compliance.

Performance Management

- Provide support and development to the Autism Services Team to ensure it is structured and resourced to deliver the strategic aims.
- Lead a strong performance culture and commitment to excellence with a focus on end to end quality services.
- Anticipate changes and plan for the delivery of new business and services in line with agreed plans.
- Plan, monitor and analyse key metrics for the day-to-day performance of the operations to ensure timely and efficient completion of tasks.

External Relationships

- Maintain and develop effective professional networks that will add value to Scottish Autism's work and ensure that it is viewed as an influential and reliable partner.
- To work with external partners at a national and local level to raise the profile of Scottish Autism and Autism Services.
- Develop long term relationships with policy makers and sector leaders.

No leadership role profile can be entirely comprehensive, the post holder will be required to undertake additional duties from time to time, in line with the above responsibilities, as required by the Director of Operations.
