Donate an auction prize

Auction prizes help to raise funds to develop and improve vital support for autistic people and families across Scotland.

If you would be willing to donate a product or experience valued at £200 or more, we would be extremely grateful. In return, we will feature your business and the donated prize in our programme and across our social media channels. The post can be personalised by sharing why you are choosing to support Scottish Autism.

Help to transform lives.

Donate a raffle prize

Our raffle is another highlight of our golf day, with every donated prize helping to enhance and expand services for autistic people.

We welcome donations such as whisky, wine, vouchers or any other exciting prize. All support will be acknowledged during the raffle and shared with attendees.

Thank you for making a difference.

For information on sponsorship packages or to donate a prize, please get in touch with our team by emailing golfevents@scottishautism.org.
