

Click and Connect

**SCOTTISH
AUTISM**

Online spaces to connect with others

Click and Connect is a free, online service offering facilitated group spaces for;

- **Autistic adults and young people, wherever they are on their autism journey**
- **Parents and carers of autistic people**

These groups offer calm, supportive spaces for people in Scotland to connect with others. Designed with the people attending in mind, Click and Connect groups create an environment that feels understanding and supportive.
