SCOTTISH AUTISM

**Embracing difference,
leading change**

Dundee Connections provides information and support for autistic adults in Dundee, at any stage of the diagnosis pathway, including those who identify as autistic.

Connections also support people in Perth and Angus who are awaiting an autism assessment through the Tayside Adult Autism Consultancy Team (TAACT).

Our Community Advisors provide:

- Advice and support via phone or email
- One-to-one appointments in person or virtually
- Peer support groups
- Drop in sessions
- Social activities
- Signposting and support to access services in the community
