SCOTTISH AUTISM

Embracing difference,
leading change

The Fife One Stop Shop offers information, advice and support to autistic people, their families, friends and professionals at any stage of the diagnosis pathway, including those who identify as autistic.

Our Community Advisors provide:

- Advice and support via phone or email
- One-to-one appointments in person or virtually
- Peer support groups
- Drop in sessions
- Social activities
- Signposting and support to access services in the community
